

WELCOME

Discover the artists of Salem County on May 18 from 10 am to 5 pm and May 19 from 11 am to 4 pm, during your self-guided driving tour of artists' studios!

The tour is a great way to discover the creative talent scattered throughout Salem County. Meet over 40 artists (including many award winners), explore their studios, and see their work.

On the tour, you will find fine art, photography, pottery, fiber arts, jewelry, and more. Bring the children; they will enjoy our **Dig Into Art** locations where they can make their own artwork. There is something for all ages and wonderful items to purchase.

www.salemcountyardtour.com

On our website, you will find more information about the artists and information to plan your visit. You may want to book a room at a local hotel or B&B and spend the weekend enjoying our quaint towns, local wineries, breweries, and cuisine.

On the website, you can download the brochure, use the Google map, or click on the link for "**Plan Your Trip**" which is a **great map app** hosted by Visit Salem County NJ. It allows you to choose the sites you want to visit and it maps out the best route for you.

Document your trip and share photos on-line using the hash tag - **#SCARTTOUR2024**.
