

## WELCOME

Discover the artists of Salem County on May 16 from 10 am to 5 pm and May 17 from 11 am to 4 pm, during your self-guided driving tour of artists' studios!

The tour is a great way to discover the creative talent scattered throughout Salem County. Meet over 40 artists (including many award winners), explore their studios, and see their work.

On the tour, you will find fine art, photography, pottery, fiber arts, jewelry, and more. Bring the children; they will enjoy our **Dig Into Art** locations where they can make their own artwork. Look for the "Dig" logo in the list of sites. There is something for all ages . . . and wonderful items to purchase at all the sites.

[www.SalemCountyArtTour.com](http://www.SalemCountyArtTour.com)

On our website, you will find more information about the artists and information to plan your visit. You may want to book a room at a local hotel or B&B and spend the weekend enjoying our quaint towns, local wineries, breweries, and cuisine.

On the website, you can download the brochure, and use the Google map. Document your trip and share photos on-line using the hash tag - **#SCARTOUR2026**.

New this year, **County Collectors**. Salem County Art Tour artists have been busy creating unique 6" x 6" artwork. The proceeds from the sales of these one-of-a-kind pieces supports the continuation of the Salem County Art Tour. Go to [www.SalemCountyArtTour.com](http://www.SalemCountyArtTour.com) to see all the available artwork. Be sure to start your tour early to claim one of these pieces as your own, and support the tour too!
